Dear Dr. McAllister:

As Assistant Director of the Office of Research Support at Duke University, one of my responsibilities is to assist Duke faculty members and graduate students in locating external sources of funding for their research. As part of this effort, I am interested in obtaining current information on the Council for Tobacco Research.

Please send the information to me at the above address. In addition, please place me on your mailing list to receive future mailings.

Your help in making this information available to interested faculty members at Duke University is greatly appreciated.

Sincerely yours,
